Coloring for adults - a technique that allows you to work with shape and color to restore integrity, purity and functionality of the program elements of the respiratory and digestive systems, and through program elements act on themselves energy-and material structures of the internal organs. First, consider for some time your chosen figure, mentally selecting one or another shape, thereby activating it. The necessary shapes themselves will fall to you on the eyes. Intuition will tell you exactly how space to activate the shape and when it is time to switch to another fragment geometric pattern. This is the first step with coloring. After the working with shapes is completed, paint the scheme, which will ultimately restore function and cleanliness program blocks. Do not overload while working on coloring. Do it with pleasure and remember: Systematic studies will lead to the fact that you will be able to restore the function of the respiratory and digestive systems, which are being destroyed the fastest on Earth List of Figures... 1.
