

Bible Lessons to Grow By offers practical but fun ways for children to incorporate Christian character virtues into their daily lives. This book contains 29 lessons and a gifts inventory designed for children in fifth and sixth grade. Children may choose to do these lessons on their own or together with their parents or family. Each lesson includes a real-life story, a Scripture reference, discussion questions, a memory verse, a prayer, and an age-appropriate activity or application that helps guide children toward growth in Christ.
