

When you face a difficult situation or a tough fight, it helps to have a wise coach and an understanding friend in your corner. Family lawyer Marjorie Just, author of *Divorce Decisions: Practical Ways to Protect Yourself, Your Career, Your Children and Your Wallet*, offers both to anyone going through a divorce or termination of a domestic partnership. During her more than 15 years in practice, the author has seen it all, from the most acrimonious courtroom battles to the most amicable settlements—and everything in between. But what makes this book so authentic is that the author has been through it herself. “After watching my clients go through the pain and upheaval of divorce, I went through it myself, and made many of the same mistakes they did. Even though I should have known better,” says Marjorie Just of the Maryland-based firm, Offit Kurman. Ms. Just explains that the decision to divorce is just the beginning of a series of important decisions for you and your family. Making these decisions with forethought and deliberation can help you avoid the pitfalls. Ms. Just offers legal insight and practical guidance.

DNP Role Development for Doctoral Advanced Nursing Practice, Second Edition, Jugend und Medien - Kindheit und Kindheitsforschung in Deutschland (German Edition), Interviews with Edward W. Said (Conversations with Public Intellectuals), Moral Courage in Organizations: Doing the Right Thing at Work, Dali/Bejart: Danser Gala: Lart Bouffe De Salvador Dali (French Edition), Look Whos Playing First Base, Easy Wine Recipes, Que Significa Estar Sano? / What does being Healed Signify?
