

Dr Goh Moh Heng's Business Continuity Management series of books aims to prepare your organization to survive any unexpected crisis with expected results in continuing business operations. This book provides the framework, processes, good practices and templates that are necessary to establish, maintain and manage your corporate business continuity management program. The critical success factors highlighted includes sustaining management buy-in, cultivating a business resiliency culture, and promoting structured training and awareness programs. The strengthening of knowledge and appreciation of the entire BCM program are being analyzed and shared with the readers. Learn how to: - Establish and sustain a corporate wide BCM program - Understand and monitor BCM drivers - Obtain annual BCM endorsement from Steering Committee - Enhance BCM methodology and align policies - Update ongoing threats and business impact assessment - Incorporate continuous cost effective and flexible strategies For more books: bcm-institute.org
