Motivation - it's something we all want to have, but something that for increasing and maintaining your productivity are guaranteed to give you. Perhaps you've seen the above video before, perhaps you haven't. If you haven't, I highly recommend taking a look. If you have, it's definitely worth a second. Motivation acts as a technique for improving the performance of employees working at different levels. Motivation of employees is one function which every manager has to perform along with other managerial functions. A manager has to function as a friend and motivator of his subordinates. Are you in the habit of putting everything off until tomorrow or the day after that? You're certainly not alone. Everyone needs strategies to help. My daughter is preparing to run her third marathon this fall. A person preparing for a marathon " or any race for that matter " must make the necessary efforts. 8 Jan - 7 min - Uploaded by Big Think Feeling motivated at work feels good, and it's good for business.
