

This book is an invaluable resource that helps us to understand what bullying is and how to arrest it or to prevent it from happening. It is written for parents, teachers, administrators, counselors, therapists, and teacher trainers and trainees. Practicable and accessible, it helps us understand what bullying is and how to arrest it or prevent it from happening. The first part of the book provides a clear overview of what we understand about bullying. It is based on up-to-date information from the worlds leading experts. The second part tells us how to go about solving the problem of bullying. This includes how to set up a preventative whole school anti-bullying program, how to deal with bullying as it occurs, and how to monitor it so that it does not recur. The book also identifies and describes the best anti-bullying sites from the World Wide Web.

New Development of Hydrology and Sediment Study: Collections of the Ninth Seminar (in 2012) of Hydrological Sediment Professional Committee in Chinese ...
