

Rev. E. M. Bounds was overwhelmingly devoted to his beloved Lord. There are few who have lived since the days of the Apostles who have surpassed him in the depths of his marvelous research into the life of prayer. This American clergyman of the twentieth century wrote seven books on prayer, many of which have frequently been unavailable to the general reading public. Rev. Leonard Ravenhill has done the Church a great service in preparing this compilation of these seven marvelous books: Power through Prayer Purpose in Prayer The Necessity of Prayer The Essentials of Prayer The Weapon of Prayer The Possibilities of Prayer The Reality of Prayer In the Foreword, David Otis Fuller says that this book is worth its weight in diamonds. The compiler encourages you to keep this book at hand, read it often, and practice it always! It is truly A Treasury of Prayer.
