

The IT management profession is not for the faint of heart. Anyone who has worked in this sector is familiar with the unique (and borderline impossible) challenge of trying to keep up with technological innovations while operating on a too-small budget and facing constant criticism for problems outside of your control. Truth From the Trenches passes on the hard-won leadership lessons that six-time CIO Mark Settle gained over years of working in IT management. Settle describes the key constituencies that an IT leader needs to influence, seduce, leverage, and manage to be successful. His practical recommendations will allow readers to improve their organizational impact and accelerate their career advancement. In a sector where competency stems not from formal certification but on-the-job learning, Truth from the Trenches is a valuable and unique resource that is based on Settle's deep experience working in IT in a variety of industries. By applying Settle's strategies, IT workers will be able to avoid common pitfalls, save themselves from wasting time and effort on hopeless initiatives, and survive the trenches of everyday IT challenges.

Soils, Sustainability and the Natural Heritage, The Best Canadian Essays 2010 (The Best Canadian Essays in English), They Followed Me in the Street, Around the world through Japan, Coaching - Mit Beratung Erfolge bewegen (German Edition), Parents & Family (High School Group Study) (Uncommon), Manual of hydrology: Containing By Nathaniel Beardmore, Conversion Tables for Si Metrication, An Antebellum Life at Sea: Featuring the Journal of Sarah Jane Girdler, Kept Aboard the Clipper Ship, Robert H. Dixey, from America to Russia and, The Christian Father: what he should be, and what he should do,

The IT management profession is not for the faint of heart. Anyone who has worked in this sector is familiar with the unique (and borderline impossible). Truth from the Trenches has 19 ratings and 3 reviews. Sam said: Settle's book being titled 'Truth from the Trenches' is very appropriate since a large pa.
